Thank you for visiting Sutter Creek Church of the Nazarene online! We hope that by visiting this website you get an idea of what our church family is all about and what it can mean to you. Whether you have been involved with church your whole life, or just starting to explore the idea of it, we want you to know that you are welcome here. We believe that regardless of your past, you are valued by God and matter to Him. Our prayer for you is that you will discover the truth of what it can mean to have life in Christ.

Jesus was driven by the fact that He came to offer all mankind a real and lasting life. His words in John 10:10 remind us of His offer of hope – *“My purpose is to give life in all its fullness.”* Life in Christ means a new foundation and hope that affects every part of living. Real hope is knowing that in Christ, my life today can have meaning because my life today is not the end – it is the beginning of a relationship with God that will last for eternity! We believe that Jesus Christ is the reason for our very existence, individually and as a church, and that means everything we do as a church must be centered on Jesus and be grounded in the truth that He has come to reveal to us.
